

Youngstown Air Reserve Base Community Council  
PO Box 18, Vienna, Ohio 44473

Dear Friend of the YARBCC,

We are in the process of planning our July 2022 5<sup>th</sup> Annual 5k on the Runway event and are asking for your support. Our race takes place at the Youngstown Warren Regional Airport on July 16, 2022 at 8:00am. We expect 200 or more runners and every qualifying participant receives a finisher's medal, t-shirt, snack, and bottle of water. Please see the attached forms for sponsorship information.

The Youngstown Air Reserve Base Community Council's mission is to invest in and maintain the presence of Youngstown Air Reserve Station through advocacy and public awareness by providing public education of the mission, vision and economic impact of Youngstown Air Reserve Station on the region while actively and financially supporting base activities and base members. We achieve this through our event by having the Colonel of the base speak to our runners and educating them on current events. Our runners also get a chance to get up close and personal with the C-130 Hercules aircrafts when the course crosses onto the air base's flight deck, allowing civilians to see exactly what the airmen and women work with every day.

I want to say thank you for your past support and consideration of a 2022 sponsorship. Our events would not be successful without generous donations from companies such as yours.

Sincerely,

*Cathy Moore*
