About Youngstown Air Reserve Station (YARS)

It is the home of the 910th Airlift Wing and the tri-fold missions of tactical airlift, agile combat support and is the Department of Defense's only aerial spray capability.

With nearly 2,000 full and part-time assigned personnel, YARS is the largest employer in Trumbull County and the third largest in the Mahoning Valley with an economic impact of \$150M.

About YARS Base Community Council (YARBCC)

We work closely with Family Readiness to support Airmen in need of immediate financial help and support YARS Airmen morale efforts.

We raise public awareness about the YARS Mission, Vision, and economic impact on our valley through public events and joint presentations at various local organizations.

We also raise awareness at the state and national levels by supporting the Eastern Ohio Military Affairs Commission (EOMAC), an organization dedicated to legislative advocacy to help protect YARS against future Base Realignment and Closures (BRAC) threats.

Your Support

Your generous tax deductible donations will help us to provide vital financial support to assist more Airmen with immediate needs and to help with Airmen morale efforts. In addition, your support will help us raise public awareness of the importance of YARS to our community at the local, state and national levels.
